Attention: Ms. Sue Kiser

Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the San Joaquin Council of Governments' (SJCOG) Administrative Amendment No. 14 including the correction, which makes technical adjustment to their 2004/05-2006/07 Federal Transportation Improvement Programs (FTIP). This amendment does not affect air quality, timely implementation of Transportation Control Measures (TCMs), or financial constraints and does not result in major scope changes.

This project is included and submitted by SJCOG through the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rachel Falsetti'.

RACHEL FALSETTI, Chief  
Office of Federal Transportation Management Program
